WESS Application System
PKI Login Registration Process

PKI Login Registration Process

Below are three selections to provide instructions on how to register PKI login for WESS. Please select the appropriated choice by clicking the link.

New WESS Customer

Existing User: Expired password process

Register PKI login with WESS account

This procedure will display images of the process of requesting access to using the PKI login feature in WESS version 2.6.1. (See Figure 1 – Figure 19)

US DEPARTMENT OF DEFENSE WARNING STATEMENT
You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.
By using this IS (which includes any device attached to this IS), you consent to the following conditions:
-The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
-At any time, the USG may inspect and seize data stored on this IS.
-Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG authorized purpose.
-This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
-Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.
Contact the WESS Help Desk at (757) 444-3520 x7048 (DSN 564)
during normal business hours, M-F, 0800 to 1630 EST/EDT.

TERMS AND CONDITIONS FOR WESS ACCOUNT REQUEST
Ref: (a) OPNAVINST 5239.1A
(b) SECNAVINST 5239.2
(c) COMNAVSAFECENINST 5239.1D
(d) SECNAVINST 5720.47 dtd 7/99
1. When accessing the Naval Safety Center's WESS system, I understand it is MANDATORY that I use all Information System (IS) EQUIPMENT and SOFTWARE in accordance with the above references, current copyright laws, and IS security guidelines established by the Department of Defense.
2. Passwords issued to individuals are unique identifiers of that individual's authority and privilege. The individual's assigned password will be the only allowable method of entering the AIS network through remote terminals. An individual's password is critical and must be protected by the individual who has the responsibility and the obligation to maintain his/her password integrity.
3. You are required to change your password after initial login and every sixty days thereafter. The rules for changing your password at initial login will be displayed when you select the 'Change Login Password' option on the first WESS menu.
4. Compromise or suspected compromise of a given password must be reported to the Information Assurance Manager (IAM) or Information Assurance Officer (IAO). The compromised password must be changed as soon as possible using the 'Change Password' option.
5. The information contained in this site is not to be released to any other activity or organization, or used for any purpose other than safety, without the written permission of Commander, Naval Safety Center.
6. You are required to complete WESS training prior to the creation of your account. The WESS Users' Guide is available at http://www.safetycenter.navy.mil/wess/tutorial/index.asp

UIC (Navy) or MCC/RUC (Marine)
If searching via a partial activity name, please follow these search suggestions:
Detachments - Use acronym of activity type (EODMU, FASOTRAGRULANT) or detachment location (Crane, Keflavik, Norfolk)
Ships and Submarines - Omit the preface of USS (RONALD REAGAN, OHIO)
Shore - Use root word of activity (safety, hospital, exchange, base) or activity location
Squadrons - Use "squadron" followed by a space and a number (SQUADRON 85). To further refine your search preface with squadron type (FIGHTER SQUADRON 85, RESCUE SQUADRON 32, etc.)
Reserve Units - Use "RESERVE" to search for all Reserve units. To further refine your search, preface with unit type (NAVAL, MARINE CORPS, NAVAL AIR)
Enter the Unit Code, if known -- OR -- a complete or partial activity name to search.
If your search result is "No Matching UIC Found", go to WESS Help to report a missing or incorrect UIC/MCC/RUC.

The Naval Safety Center has received your request for a WESS account. By continuing the account creation process with the verification of your e-mail address, you are also verifying you have completed the review of the WESS training module, which is a requirement of the WESS Terms and Conditions. This training can be viewed at http://www.safetycenter.navy.mil/wess/tutorial/index.asp.
Please click the following link to verify your e-mail address and training compliance: [Begin link]
https://wessbeta.safetycenter.navy.mil/wess/model.do?model=emailverify&recReference=qM2FwIp8
&emailAddress=tabatha.bridget@navy.mil&newFlow=true
[End link]
Note: If the entire text between [Begin link] and [End link] is not underlined, please copy text and paste into browser Address field.
Please note that your account request will not be processed until you verify your e-mail address. Your email address must be validated within 14 days or the request will be removed from the WESS System.
Your request will be routed through the approval chain. We will notify you when your account has been established.
Once your Safety Authority approves your request, your account will normally be processed by the end of the next business day (Monday – Friday).
The Naval Safety Center
WESS Administrator
Web Enabled Safety Center – https://wess.safetycenter.navy.mil

The Naval Safety Center has created a WESS account for you. To access the account, please use the following user name and password:
Please copy and paste the password into the password field. Do not try and type the password!
User Name: joy
Password: 3w$"EegN0
Please note this is a temporary password and is valid for only fourteen days. If you don't change the password within 14 days, it will expire.
Please log in to the Naval Safety Center's WESS site to reset your account with your own password. Your password must adhere to the following rules:
- must be at least 9 characters in length
- must contain at least two upper case characters
- must contain at least two lower case characters
- must contain at least two numeric characters
- must contain at least two special character
If your temporary password has expired, you should log in using the above User Name and Password. When you log in, you will be notified that your password has expired and prompted to answer your challenge question. If your challenge answer is correct, a new temporary password will be emailed to you.

L Bridget, your WESS account password has been reset. The password has been set to:
9$1&V1ytR
Please copy and paste the password into the password field. Do not try and type the password!
Please note this is a temporary password and is valid for only one day. If you don't change the password with 24 hours, it will expire.
Please log in to the Naval Safety Center's WESS site to reset your account with your own password. Your password must adhere to the following rules:
- must be at least 9 characters in length
- must contain at least two upper case characters
- must contain at least two lower case characters
- must contain at least two numeric characters
- must contain at least two special characters
If your temporary password has expired, you should log in using the above User Name and Password. When you log in, you will be notified that your password has expired and prompted to answer your challenge question. If your challenge answer is correct, a new temporary password will be emailed to you.
